

Welcome to Physical Science

NORTHEAST REGIONAL SCHOOL
of Biotechnology
and Agriscience

Course Objectives:

- understand and classify matter
- understand chemical structure and bonding
- understand types of energy
- understand the nature of waves, electricity and magnetism
- understand speed, velocity, acceleration and momentum

Course Outline:

Intro to Physical Science
unit 1: Matter
unit 2: Periodic Table
unit 3: Bonding
unit 4: Chemical Reactions
unit 5: Nuclear Reactions
unit 6: Motion
unit 7: Forces
unit 8: Work and Power
unit 9: Energy
unit 10: Electricity

Supply List:

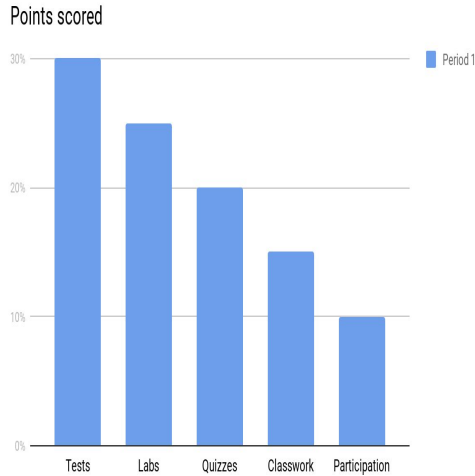

- 3-ring binder or folder
- College ruled paper
- Calculator
- Colored pencils
- Dry erase markers
- Graph Paper
- Highlighter
- Hand sanitizer

Student Evaluation

A: 90-100
B: 80-89
C: 70-79
D: 60-69
F: 59-0

gpaul@nereregionalschool.org

Unit Test: 30%
Labs: 25%
Quiz: 20%
Classwork: 15%
Participation: 10%

Final Score
Calculation:
Q1: 37.5% Q2: 37.5%
Final Exam: 20%
