

NERSBA Volunteer Day

Friday, October 5, 2018 is a scheduled NERSBA Volunteer Day. You are required to complete at least 6 hours of volunteering for this scheduled day. NERSBA is committed to providing opportunities for you to be a productive member of your community and helping out those individuals in need. The requirements for this assignment are beyond just doing your regular chores at home or work-related responsibilities, they require you to go out in your community and assist others who are in need. Over the course of the 2018-2019 school year, you are required to complete at least 18 volunteer hours. You can volunteer in more than one place to complete these hours. Please see the chart below and have your supervisor sign to verify that you completed those hours, as well as your parent/guardian. In addition, you will need to provide a description of what you did and what you learned from the experience. This should be at least 1 page in length for each opportunity/location you volunteered.

This is DUE by Friday, October 12, 2018 to your 1st block teacher. If you are at MCC, PCC or BCC, you are required to submit this information electronically via email to me at mstanley@neregionalschool.org. The deadline for electronic submission is Friday, October 12, 2018 by 10:30 a.m.

Please complete the following with regards to your Volunteer Day assignment.

Name (print): _____

| Date | # of hours | Location | Signature of Parent/Guardian | Signature of Supervisor |
|------|------------|----------|------------------------------|-------------------------|
| | | | | |
| | | | | |
